The Seneca Falls Parks & Recreation Staff would like to welcome you to our Summer Camps! Once again, we are offering programs for all ages. We believe there is something for everyone and hope you all take advantage of these programs.

New this year, we are offering Flag Football & Cheer Camp!

Our summer recreation leaders and coaches are well-trained and experienced in their fields and are excited to work for you this summer.

We require everyone to register for our Summer Play Program in person during our open registration dates listed in the brochure. Do NOT fill out the registration form in advance as there is a separate form for the Play Program. Your child's immunization records are required to register your child(ren). You can have their doctor's office fax to us at 315-568-4966 at any time. Without their records, your child's spot will not be secure.

We do NOT guarantee a T-shirt for any late registrations. Please register by all deadlines. Not all camps receive T's.

Fall Soccer & Swim Lessons have their own Registration forms, For ALL other camps, please use the "General Registration" form.

We offer a monthly Sr. Luncheon with delicious food, provided by 'Simply Home Made', guest speakers, bingo & companionship.

Our Seneca Falls Recreation Booster Club provides scholarships to any family requesting assistance. No child will be denied access to any of our programs.

We look forward to getting our summer programs up and running! If you need any assistance, feel free to contact any recreation staff member at 315-568-6933.

**PLEASE REMEMBER TO SEND YOUR CHILD WITH A REFILLABLE WATER BOTTLE, WITH THEIR NAME CLEARLY LABELED.**

## Vince's Park Learn to Swim 2024

Vince's Park will offer 1 session of swim instruction this summer for 2 weeks. Each session consists of 5 days over 2 weeks, Monday through Friday. There are no classes on weekends unless severe weather (2x) causes a make-up date to complete coursework. Each session will run 45 minutes long. Levels of instruction will range from Toddler to Advanced. Parents are not required to attend classes with children. **The staff at Vince's Park requests that you do not sit on the pool deck if you choose to stay.** This allows for easier instruction from our staff.

Class size is limited on a first-received basis and payment is required to register. If a class fills, a waiting list will be taken. Every effort is made to accommodate as many children as possible without compromising the integrity of our program. Vince's Park program philosophy is simple: quality over quantity.

### Levels of Instruction:

**Preschool Aquatics:** Basic Skills include new levels of water adjustment, underwater exploration, and personal safety without parents. This is a basic, FUN introduction to water for ages 4 & 5.

**Level 1:** To develop positive attitudes, good swimming habits, and safe practices in and around the water.

**Level 2:** To create success with fundamental skills, including learning to float without support and to recover to a vertical position.

**Level 3:** To build on the skills in Level 2 by providing additional guided practice in deeper water.

**Level 4:** To develop participants' confidence in the strokes learned in Level 3 and to improve other aquatic skills.

**Level 5:** Skills include stroke proficiency, turns, personal safety, and rescue.

**Level 6:** Personal Safety & Rescue, Fitness Swimmer, Diving Refinement.

**Fees: \$40 for Residents and \$50 for Non-Residents/Child**
