All certified personnel shall be granted leave for military service, legislative, service, maternity, adoption, recuperation of health, or visitation of a spouse, child or parent deployed for military duty out of the country who has been granted rest and recuperation leave. Such personnel may be granted leave for educational improvements or other sufficient reasons as determined by the director of schools. If granted, such leave shall not result in the forfeiture of accumulated leave credits, tenure status or other fringe benefits.

All leaves shall be requested in writing at least thirty (30) days in advance on forms provided by the director of schools. The 30 day notice may be waived or reduced by the director of schools upon submission of a certified statement by a physician. The application for leave forms shall require:

1. A description of the type of leave requested;

2. The requested dates for beginning and ending the leave; and
3. A statement of intent to return to the position from which leave is granted.

Each request for leave must be acted upon by the director of schools within fifteen (15) days. Each applicant shall be notified in writing of the action of the director and the beginning and ending dates of the leave which is granted.

All leaves, except military leave, shall be from a specific date to a specific date. However, any leave may be extended by the director of schools upon written request from the teacher. Military leave shall be granted for whatever period may be required. The procedure and condition for extending a leave are the same as those used when originally requesting and granting the leave.

Leave to visit a spouse, child, or parent deployed for military duty out of the country who has been granted rest and recuperation leave shall be granted under this policy for no longer than ten (10) days.

Positions vacated for less than twelve (12) months by teachers on leave shall be filled with an interim teacher while the teacher is on leave. If the teacher returns from leave within 12 months, the interim teacher shall relinquish the position. If the leave exceeds twelve (12) months, the teacher shall be placed in the same or a comparable position upon return.

Any teacher on leave shall notify the director of schools at least thirty (30) days prior to the date of return if the teacher does not intend to return to the position from which he/she is on leave. Failure to give such notice shall be considered breach of contract.

PAY AND BENEFITS

All leave granted in conformance with this policy shall be without pay except as may be covered by sick leave in the case of maternity and recuperative leaves or other paid leave policies. Employees shall have the opportunity to continue participation, at their own expense, in group insurance plans subject to restrictions of the insuring carrier.

Board Policy 5.305 – Family and Medical Leave

PURPOSE

To provide eligible employees up to 12 workweeks (or 26 workweeks for military caregiver leave) of unpaid job-protected leave for certain family and medical reasons during a 12-month period.

ELIGIBILITY

To be eligible for FMLA leave, an employee must have been employed by the district for at least twelve (12) months and have worked at least 1,250 hours during the 12-month period immediately preceding the commencement of leave.

GENERAL PRINCIPLES

FMLA may be taken by eligible employees for the following reasons:

1. The birth of a child or to care for a newborn child*;
2. The placement of a child with you for adoption or foster care or to care for the newly placed child;
3. To care for a spouse, child or parent (but not in-law) who has a serious health condition;
4. An employee's own serious health condition;
5. For qualifying military caregiver leave (to care for a covered service member or veteran's serious injury or illness arising out of the armed forces); and/or
6. For qualifying exigency leave arising out of a family member's active duty in the armed forces.

*Note: Eligible employees are entitled to up to four (4) months of leave for pregnancy, childbirth, or adoption under state law. FMLA leave for birth and care of a newborn child or for placement of a child for adoption or foster care, shall run concurrently with the state leave.

USE OF LEAVE

Employees are not required to use their leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Board's operations. Leave due to qualifying exigencies arising out of a family member's active duty may also be taken on an intermittent basis. Leave may not be taken on an intermittent basis when used to care for the employee's own child during the first year following birth, or to care for a child placed with the employee for foster care or adoption unless the director or designee approves such leave.

RESTRICTIONS

1. For foreseeable leave, the employee shall provide at least thirty (30) days written notice before the beginning of the anticipated leave and shall follow the Board's procedures for requesting leave.
2. The district may require that a request for leave be supported by certification issued by a health care provider with the following information:
 - a. The date on which the serious health condition commenced;
 - b. The probable duration of the condition;
 - c. The appropriate medical facts within the knowledge of the health care provider regarding the condition; and
 - d. A statement that the eligible employee is needed to care for the son, daughter, spouse or parent and an estimate of the amount of time that such employee is needed.

If there is any reason to doubt the validity of the certification provided, the director may require, the director may require, at the expense of the school system, an opinion of a second health care provider.

Spouses who are both eligible employees of the school district are limited to a combined total of 12 workweeks of FMLA leave in a single 12-month period if the leave is taken for birth and care of a newborn child, for placement of a child for adoption or foster care, or to care for a parent who has a serious health condition.

Special Rules for Certified Employees

- a. Limitations on Intermittent or Reduced Schedule Leave – When a certified employee request, intermittent leave or reduced leave for certain qualifying reasons that would exceed 20% of the total number of working days over the period the leave would extend, the district may require that such employee elect to either take the leave for a period of particular duration, not to exceed the duration of the planned medical treatment or to transfer temporarily to an available alternative position for which the employee is qualified, that has equivalent pay and benefits and better accommodates recurring periods of leave.
- b. Limitations on Leave Near the End of an Academic Term – If leave is taken more than five (5) weeks prior to the end of the term, less than five (5) weeks before the end of the term, or less than three (3) weeks prior to the end of a term, the director of schools may require the employee to continue taking leave until the end of the term depending on the anticipated length of the leave and reason for leave.

Use of Paid Leave Required – FMLA leave runs concurrently with leave afforded under other board policies. This means employees are required to use any available accrued paid leave (including vacation leave, personal leave, sick leave) for the duration of their FMLA leave until all available paid leave is exhausted.

MAINTENANCE OF BENEFITS

During FMLA leave, employees are entitled to continued group health plan coverage under the same conditions as if they were working. To the extent that FMLA leave is paid, the employee's portion of health insurance premiums will be deducted from his/her salary. For the portion of FMLA leave that is unpaid, the employee must contribute his/her share of the premium at the same time as if made by payroll deduction. If payment of health insurance premiums is more than thirty (30) days late, the Board may discontinue health insurance coverage upon notice to the employee.

If the employee elects not to return to work for at least thirty (30) calendar days at the end of the leave period, the employee will be required to reimburse the Board for the cost of the premiums paid by the Board for maintaining coverage during the unpaid leave, unless the employee cannot return to work because of a serious health condition or other circumstances beyond the employee's control.

Other benefits, such as 401 (k), life insurance, short and long-term disability will be governed in accordance with the terms of each benefit plan. Employees will not accrue vacation, personal or sick time while on unpaid FMLA. Any changes in plan provisions or cost will apply to employees on FMLA as the same basis as to active employees.

JOB RESTORATION

Upon return from FMLA leave, eligible employees shall be restored to the same position of employment or an equivalent position with no loss of benefits, pay or other terms of employment to the extent required by the FMLA.

Board Policy 5.306 – Military Leave

Employees who are members of any reserve component of the Armed Forces of the United States shall be granted leave of absence for all periods of military service during which they are engaged in the performance of duty or training in the service of the state of the United States. Reservists who anticipate military duty during the school year must give written notice to the director of schools within thirty (30) days of the beginning of the school year of the dates of the anticipated duty. While performing such duty or training, the employee shall be paid his/her regular salary up to a maximum of twenty (20) working days in any one (1) calendar year, plus such additional days as may result from any call to active state duty. An employee called to active duty by the governor to enforce the laws of the state shall be paid his/her regular salary for such time as he/she is engaged in the performance of his/her duty, and any time spent in active state duty shall not count against the twenty-day period of leave allowed for military service.

Requests for leaves and extension of leaves shall conform to state law and board policy governing all leaves of absence. Failure to comply with applicable laws and policies shall constitute grounds for dismissal.

The employee shall supply a copy of the orders for duty, including the dates of departure and return it to the director of schools prior to or simultaneous with requesting leave.

Board Policy 5.307 – Physical Assault Leave

Leave shall be unpaid and shall be granted without loss of accumulated or granted sick, personal or professional leave, unless the certified employee directs that an absence that would otherwise qualify for personal injury leave be charged to his or her accumulated paid sick leave or personal leave.

To be eligible for leave under this policy, the certified employee must report the incident to his or her immediate supervisor on the same day the injury occurs and must adhere to the district's procedures for reporting on-the-job injuries. The district may require the employee to submit a signed statement from the employee's physician verifying the nature and extent of the injuries and the anticipated duration of the employee's absence in support of an employee's request for leave. In the event the employee's absence exceeds four (4) weeks, the district may require a certificate from the physician to verify the continued need for the employee's absence.

Board Policy 5.309 – Legislative Leave

Certified employees who have been elected to state or local law-making bodies shall be entitled to use personal leave or be granted leave without pay for the time those law-making bodies are in official session or while attending official meetings outside the session.

In addition, certified employees shall be granted leave to serve on any board or commission of the state when the appointment is made by the Governor or General Assembly. Board Policy 1.802 – Section 504 and ADA Grievance Procedures

The Board is committed to maintaining equitable employment/educational practices, services, programs and activities that are accessible and usable by qualified individuals with disabilities.

DEFINITION

Section 504 of the Rehabilitation Act of 1973 provides that: No otherwise qualified individual with handicaps in the United States...solely by reason of his/her handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

Title II of the Americans with Disabilities Act, 1990 provides that: No otherwise qualified individual with a disability shall be discriminated against in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training and other terms, conditions and privileges of employment.

COMPLAINT PROCEDURE

The ADA/Section 504 Coordinator will hear ADA/Section 504 complaints of employees. Complaints shall be submitted orally or in writing to the coordinator who will endeavor to accomplish prompt and equitable resolution of complaints alleging any action that would be prohibited by the ADA/Section 504. The coordinator will respond to all complaints within twenty (20) days with a written response as well as information on further grievance procedures that may be followed if the complaining party is not satisfied with the coordinator’s proposed resolution.

(Employees should contact the Supervisor of Human Resources, Terri Simmons, at 615-384-5588 or by email at terri.simmons@rcstn.net regarding any Section 504 or ADA complaints or concerns.)

Board Policy 5.500 – Discrimination/Harassment of Employees

The Board is committed to ensuring a work environment in which all individuals are treated with respect and dignity. It is the policy of the Board to ensure that each employee has the right to work in a professional atmosphere that promotes equal employment and prohibits discriminatory or retaliatory practices, including harassment. The Board strictly prohibits, and will not tolerate any such discrimination or harassment of any employee by another employee, student, supervisor, administrator, parent, outside service provider, or vendor on the basis of race, color, national origin,

religion, sex, age, disability, veteran status, genetic information or predisposition, or any other status protected by federal, state, or local law.

Harassment Defined:

1. Harassment is defined as verbal or physical conduct that may be reasonably perceived as denigrating or showing hostility towards an individual because of that individual's race, color, national origin, sex, disability, age, religion, veteran status, genetic information or predisposition, or any other status protected by federal state, or local law, and that (i) has the purpose or effect of creating an intimidating, hostile, or offensive work environment; (ii) has the purpose or effect of unreasonably interfering with an individual's job performance; or (iii) otherwise adversely affects an individual's employment opportunities.
2. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when, for example: (i) submission to such conduct is made either explicitly or implicitly on a term or condition of an individual's employment; (ii) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (iii) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Even when the conduct is not sufficiently severe or pervasive to constitute actionable discrimination or harassment, the Board prohibits such conduct.

Reporting Procedure:

Any employee who witnesses or experiences conduct that they believe constitutes discrimination or harassment has an affirmative duty to immediately report that conduct promptly to his or her immediate supervisor, unless the immediate supervisor is the offending party. If their immediate supervisor is the offending party, the report may be made to the Director of Human Resources of the Director of Schools. Allegations of discrimination/harassment shall be fully investigated in accordance with the procedures outlined below. An oral complaint may be submitted; however, such complaint should be reduced to writing to ensure a more complete investigation. The complaint should include the following information:

- Identity of the complainant and/or victim and respondent;
- Location, date, time and circumstances surrounding the alleged incident;
- Description of what happened;
- Identity of witnesses; and
- Supporting documentation or other available evidence.

Investigation & Resolution:

Any employee who receives a harassment or discrimination complaint shall immediately refer the complaint to the Director of Human Resources, who will determine the appropriate procedure to ensure a prompt, thorough, and equitable investigation and resolution of the complaint.

The Director of Human Resources or his/her designee is responsible for investigating the complaint or appointing a qualified person to undertake the investigation on his or her behalf. The investigator selected by the Director of Human Resources will conduct the investigation in a manner appropriate in light of the circumstances of the complaint, which will typically include interviews with the complainant, the respondent, and any witnesses. The investigation will be conducted in a manner that is prompt, thorough, equitable, and respectful of individual privacy concerns. Upon the conclusion of the investigation, the investigator will prepare a written report containing his or her findings and recommendations as to whether or not a violation of the Board's policy occurred with the director

of schools. If a complaint of sexual harassment contains allegations involving the director of schools, the written report shall be filed with the Board. The director of schools shall keep the Board informed of all complaints.

Upon receipt of the investigator's report, the director of schools shall render a written decision within five (5) days of the receipt of the report that shall be provided to the employee. A substantiated charge against an employee shall result in disciplinary action up to and including termination. A substantiated charge against a student may result in corrective action up to and including suspension.

Confidentiality:

The privacy and anonymity of all parties and witnesses to complaints will be respected. However, because an individual's need for confidentiality must be balanced with obligations to cooperate with police investigations or legal proceedings, to provide due process to the accused, to conduct a thorough investigation or to take necessary action to resolve a complaint, the identity of parties and witnesses may be disclosed in appropriate circumstances to individuals with a need to know.

Retaliation Prohibited:

There will be no retaliation against any person who reports discrimination/harassment or participates in an investigation. However, any employee who refuses to cooperate or gives false information during the course of any investigation may be subject to disciplinary action. Any individual who makes a report that is later found to have been intentionally false or made maliciously without regard for its truth may be subject to disciplinary action.

Board Policy 5.501 – Employment-Related Complaints and Grievances

The Board believes that differences of opinions arising in the course of employment should be resolved as quickly as possible and at the lowest supervisory level. In instances of questions by an individual staff member concerning the interpretation of policies and procedures to that staff member, administrative practices within the staff member's particular school, or relationships with other employees, the staff member concerned must consult the administrative or supervisor personnel to whom they are responsible. If a satisfactory resolution of the problem cannot be reached after ample opportunity for consideration of the matter, the staff member concerned may discuss the matter with the next level of supervision up to and including the director of schools. Instances where an individual staff member feels, for personal reasons, that they cannot discuss a problem with their immediate supervisor, the staff member may take the problem directly to the director of schools. After review of the case, the director of schools shall take action as he/she deems appropriate and within a prompt, reasonable time shall notify all parties concerned of the decision.

MANATORY REPORTING OF SUSPECTED CHILD ABUSE

Everyone in Tennessee is a mandated reporter under state law. Any person with reasonable cause to believe a child is being abused or neglected must, under the law, immediately report to the Tennessee Department of Children's Services or to local law enforcement. The reporter can remain anonymous. Failure to report abuse is a violation of the law and a Class A misdemeanor, carrying a sentence of up to three months imprisonment, a fine or both. Those who report and "act in good faith" are immune from any civil or criminal charges which may result. The reporter has the right to remain confidential and anonymous. Tennessee Code Annotated 37-1-403(i) (1) requires all persons to report suspected cases of child abuse or neglect. "Any person who has knowledge of or is called upon to render aid to any child who is suffering from or has sustained any wound, injury, disability, or physical or mental condition shall report such harm immediately if

the harm is of such a nature as to reasonably indicate that it has been caused by brutality abuse, or neglect or that, on basis of available information, reasonably appears to have been caused by brutality, abuse, or neglect.”

Board Policy 5.115 – Assignment / Transfer

ASSIGNMENT

The director of schools shall assign personnel to the various schools or departments by June 15 preceding the school year for which such persons are employed while allowing each principal or immediate supervisor to assign more specific responsibilities within each school. Assignment of employees shall be made by the director of schools based on the recommendation of the appropriate division director and/or building principal. The assignment shall be determined by the applicant’s training, experience, ability to perform the duties of the position and in the best interest of the schools.

TRANSFER (to move from one school or administrative unit to another)

The director of schools shall transfer employees as necessary for the efficient operation of the schools. Transfers shall be non-discriminatory and shall not be arbitrary or capricious. The director of schools is responsible for developing and disseminating procedures for transfers. All employees transferred shall receive written notification of the transfer with reason(s) prior to the transfer. The Board shall be notified of transfers at its next regular scheduled meeting. Transfers shall be made in accordance with board policy and state law.

TRANSFER PROCEDURE: A transfer request should be completed and submitted on the district’s online SearchSoft Applicant Tracking System. Transfer requests will be accepted for posted vacancies at the link below:

https://ats4.searchsoft.net/ats/app_login?COMPANY_ID=IA000024

REASSIGNMENT (to move to another assignment within the same school or administrative unit)

Reassignments shall be non-discriminatory and shall not be arbitrary or capricious. Employees shall be reassigned as necessary for the efficient operation of the schools. The director of schools is responsible for developing and disseminating procedures for reassignments. Reassignments shall be made by the employee’s immediate supervisor with approval by the director of schools.

Board Policy 5.116 – Staff Positions

CREATION OF POSITION

All staff positions shall be approved through the budget process in accordance with an organizational plan submitted by the director of schools. Before an additional position is established, the director of schools shall present the Board a job description, qualifications, performance responsibilities and the method by which the performance of these responsibilities will be evaluated.

The director of schools may revise the organizational plan as long as budgetary amounts are not exceeded and board policy is not violated. In the event of reorganization, the director of schools shall adhere to all applicable reduction in force guidelines and shall inform, in a timely manner, the Board of the change and include the change in the director’s report at the next board meeting. If changes in personnel create additional encumbrances on a future budget, prior approval of the Board is required.

REDUCTION IN FORCE

When it becomes necessary to reduce the number of positions in the system because of a decrease in enrollment or for other good reasons, the Board shall abolish the positions. The Board of the director of schools, as appropriate, shall dismiss such employees as may be necessary.

Certified Personnel

Reductions in staff shall be made in an attempt to have the least detrimental effect on children. In general, this objective dictates a staff reduction policy which:

1. Retains the most effective teachers;
2. Avoids undue increases in class size; and
3. Provides consideration for the exceptional teacher without exclusive emphasis on seniority.

The elimination of a position does not necessarily mean the person occupying the position will be dismissed. When an employee is released, the director of schools shall make the decision based upon a composite of the following criteria:

1. Effectiveness in teaching and in related professional responsibilities evidenced by teacher evaluation;
2. Adaptability to other assignments (academic and extracurricular);
3. Evidence of professional growth as well as specialized or advanced training;
4. Previous history of grade levels and subject areas taught; and
5. Type, length and quality of service made to the teaching profession and the school system.

When a teacher is released because of reduction in staff, the teacher shall be given written notice of the release explaining the circumstances or conditions making the dismissal necessary.

RE-EMPLOYMENT

Teachers rated in the three (3) highest categories based on evaluations who have been dismissed because of elimination of position shall be eligible for re-employment in accordance with the procedures set forth in state law.

Board Policy 5.117 – Procedure for Granting Tenure

The Board of Education will grant tenure only to those teachers who meet the eligibility requirements for tenure under state law, who can present documentation of a record of excellence as a teacher. The director of schools is responsible for documenting and presenting the recommendation for tenure to the Board of Education. Documentation of a record of excellence in teaching must include:

1. Completion of a probationary period of five (5) school years or not less than forty-five (45) months within the last seven-year period, and the last two (2) years being employed in a regular teaching position rather than an interim teaching position.
2. Evaluation scores demonstrating an overall performance effectiveness level of “above expectations” or “significantly above expectations” as provided in the evaluation guidelines adopted by the state board of education pursuant to SS 49-1-302(d)(A) during the last two (2) years of the probationary period.
3. Recommendation for tenure from the principal.
4. Re-employment by the director of schools for service after the probationary period.

The following additional guidelines will apply:

1. The decision to grant tenure is solely within the discretion of the Robertson County Board of Education.
2. The director of schools will recommend persons eligible for tenure at a board meeting in ample time for the director of schools to provide notice of non-renewal to each teacher not granted tenure within five (5) business days following the last instructional day for the school year.
3. Only those teachers who receive a majority vote of the membership of the Board will be granted tenure.
4. A teacher who is eligible for tenure, but tenure is denied, shall not be rehired beyond the contract year.
5. No person who has been denied tenure by the Board of Education shall be employed in the school system in any position which requires a license.

Board Policy 6.415 – Student Suicide Prevention

PREVENTION

All district employees shall attend either the annual in-service training in suicide prevention or participate in other equivalent training approved by the director of schools. The training shall include, but not be limited to, identification of risk factors, warning signs, intervention and response procedures, referrals, and postvention.

INTERVENTION

Any employee who has reason to believe that a student is at imminent risk of suicide shall report such belief to the principal or designee. Reasonable belief that a student is at imminent risk of suicide shall include, but not be limited to, the student indicating through actions, speech, or writings that he or she has desire to commit suicide or engage in self-injury, the student displays at-risk behaviors or exhibits evidence of self-harm, or a student self refers.

Robertson County Schools has developed a suicidal ideation protocol which shall be followed in cases where a student displays at-risk behaviors or risk of self-injury. Upon notification, the principal or designee shall ensure the student is placed under adult supervision until a parent/guardian or other authorized individual accepts responsibility for the student's safety. Emergency medical services shall be contacted immediately if an in-school suicide attempt occurs. The principal or designee shall contact the director of schools or designee as soon as practicable.

Prior to a student returning to school, Robertson County School's re-entry protocol shall be followed to ensure that the student is not presently expressing suicidal ideation and is not at risk for serious self-injurious behavior and that appropriate safeguards are in place to support the student's return.

POSTVENTION

Immediately following a student suicide death, Student Services personnel work with teachers to identify the students most likely to be impacted by the death in order to provide additional assistance and counseling if needed.

REPORTS

Schools will compile information related to suicide threats during the school year which require implementation of this policy and submit a report to the director of schools/designee at the end of each school year.

Board Policy 1.8011 – Emergency Closings

The Board authorizes the director of schools to close schools in the event of hazardous weather or any other emergency which presents a threat to the safety of students, staff members or school property. As soon as the decision to close schools is made, the director of schools will notify the public media and request that an announcement be made. If school is not in session or is dismissed early due to snow or inclement weather, the director of schools in consultation with the principal(s) of the impacted school(s) shall determine if all scheduled activities in which students are involved shall be postponed or cancelled.

Board Policy 4.803 – Recognition of Religious Beliefs, Customs & Holidays

No religious belief or nonbelief shall be promoted or belittled by the school system or its employees. All students and staff members shall be tolerant of the views of others and not discriminate against anyone for a religious viewpoint or lack of a religious viewpoint.

STUDENTS' EXPRESIONS OF RELIGIOUS VIEWPOINTS

A student's voluntary expression of a religious viewpoint on an otherwise permissible subject shall be treated in the same manner as a student's voluntary expression of a secular viewpoint. Students may express religious beliefs in homework, artwork, and other written and oral assignments free from discrimination based on the religious content of their submissions. These assignments shall be judged by ordinary academic standards of substance and relevance and

against other legitimate academic concerns. A student shall not be penalized or rewarded on account of the religious content of the student's work.

RELIGIOUS HOLIDAYS

Observance of religious holidays shall be as follows:

1. The several holidays through the year which have both a religious and a secular basis may be observed in the schools;
2. The historical and contemporary values and the origin of religious holidays may be explained in an unbiased and objective manner without sectarian indoctrination;
3. Music, art, literature and drama having religious themes or basis are permitted as part of the curriculum for school-sponsored activities and programs if presented in a prudent and objective manner and as a traditional part of the cultural and religious heritage of the particular holiday;

All students and staff members shall be tolerant of the views of others. Students and staff members shall be excused from participating in practices which are contrary to their religious beliefs.

Board Policy 4.805 – Prayer and Period of Silence

There shall be no school-sponsored or school-directed public prayer at any school-sponsored or school directed activity, but a period of silence may be observed. Schools shall establish a daily time for students to observe a moment of silence. No other action shall be taken by a teacher than to maintain silence during this time.

Board Policy 3.218 – Service Animals in District Facilities

An individual with a disability may be accompanied by a service animal at any RCS school site, school activity, or other RCS activity consistent with the provisions of this policy, related procedures, the Americans with Disabilities Act, and any other applicable state and federal laws. The definition of "service animal" shall be that found in the Americans with Disabilities Act.

Definition. The Americans with Disabilities Act (ADA) defines service animals as dogs or miniature horses (range in height from 24 to 34 inches measured to the shoulders and generally weigh between 70 and 100 pounds) that are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, pulling a wheelchair, alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person's disability. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.

The Superintendent of Schools, or the Superintendent's designee, shall establish procedures to be followed for the use of service animals by RCS students and employees. Failure to abide by any of the requirements of this policy may result in the use of the service animal being restricted.

RCS students and employees who are present where a service animal is in use shall not:

1. Touch or pet the animal unless invited to do so by the handler;
2. Feed the animal;
3. Deliberately startle or otherwise interfere with the work being performed by the animal;
4. Distract the animal from its work;
5. Separate or attempt to separate the animal's handler from the animal; or

6. Inquire about the nature of the individual's disabilities.

REQUESTS FOR USE OF SERVICE ANIMALS

All requests for the use of a service animal by a RCS student or employee shall be made in writing to the Superintendent of Schools, or the Superintendent's designee, on a form created by the district. The form shall be available upon request from the administrator of each school in the case of a student, or from the Human Resources department in the case of an employee. The request must be delivered to the Superintendent of Schools or the Superintendent's designee at least 10 business days prior to bringing the service animal to school or work. The completed request must include any required documentation including proof of current vaccinations. In addition, students and employees using a service animal on an ongoing basis must submit to the Director before the beginning of each academic year written proof that he service animal's vaccinations are current and up to date.

****Forms to request for use of service animal are available from the district 504 Coordinator:*

Tricia Craig – Phone: 615-384-5588; email: tricia.craig@rcstn.net

GENERAL REQUIREMENTS

The animal must be a dog, or in specific circumstances, a miniature horse. No other species of animal, whether wild or domestic, will be permitted as a service animal. The animal must be required for the individual with a disability, and it must be individually trained to perform work or complete a task(s) related to the disability of the individual.

RCS students and employees making use of a service animal of any kind must submit annually the request for service animal form and submit it and any required documentation into the Director.

All service animals must be:

2. Kept clean and groomed to avoid shedding and dander.

SPECIAL PROVISIONS/ MINIATURE HORSES

Requests to permit a miniature horse to accompany a student or employee with a disability in school buildings, in a classroom, or at school functions, will be handled on a case-by-case basis. Consideration will be given to the following factors:

1. The type, size, and weight of the miniature horse and whether the facility can accommodate these features;
2. Whether the handler has sufficient control of the miniature horse;
3. Whether the miniature horse is housebroke; and
4. Whether the miniature horse's presence in a specific facility compromises legitimate safety requirements that are necessary for safe operation.

RCS students and employees making use of a service miniature horse must submit annually the request for service animal form and submit it and any required documentation to the Director.

CONTROL OF A SERVICE ANIMAL

An individual with a disability making use of a service animal must keep the animal under control by use of a harness, leash, or other tether. If the individual is unable to do so because of their disability, or if doing so would interfere with the animal's safe and effective performance of work or tasks, the individual must keep the animal otherwise under control by some method or means.

CARE AND SUPERVISION OF A SERVICE ANIMAL

Students and employees with service animals are expected to care for and supervise their animal. RCS is not responsible for the care or supervision of a service animal.

REMOVAL OF A SERVICE ANIMAL

A school administrator may ask an individual with a disability or that individual's parents to remove a service animal from a school building, a classroom, or from a school function if any one of the following circumstances occurs:

1. The animal is out of control and the animal's handler does not take effective action to control it;
2. The animal is not housebroken; or
3. The animal's presence would fundamentally alter the nature of the service, program, or activity.

Board Policy 3.300 – Equipment and Supplies Management

Employees of the system are responsible for the materials, equipment and supplies assigned to them. In addition, employees are responsible for the reasonable preservation and protection of materials, equipment and supplies not under their direct control.

Employees transferring from one school to another shall be responsible for reporting to the building principal of the school that they are leaving so the principal can review the inventory of classroom materials, including textbooks, teachers' editions, and other materials purchased with system, school or support organization funds. These materials are designated for that particular school and must remain at that school. The employee transferring is responsible for returning all keys to the building principal.

Board Policy 3.404 – Private Vehicles

 - d. A specific permit for each trip involving students, including field trips.
2. The school shall maintain a copy of the insurance card and the driver's license.
3. The school system shall assume no responsibility for liability in case of accident, unless the employee has the proper authorization by the director of schools or his/her designee.
4. The Board specifically forbids any employee to transport students for school purposes without prior authorization by the director of schools or his/her designee.
5. Privately-owned school buses and drivers of such shall meet all requirements of state law and state Board Rules, Regulations, and Minimum Standards.
6. No student shall be sent on errands, personal or school-related, in a vehicle owned by the student, an employee, or the school system.
7. No employee may ask for or give permission to students to transport other students to and from any school or school-related activity without written parental permission and proof of student insurance.

The discussion of issues in the classroom which are politically, philosophically or socially controversial shall be relevant to the subject matter being taught, related to educational objectives, appropriate for the age and maturity of students, and shall not materially or substantially disrupt or threaten to disrupt the discipline of the school. To ensure that controversial issues are presented and discussed fairly and objectively and with instruction as their goal, the following guidelines shall be observed:

1. All personnel will seek to create an atmosphere in which differences of opinion can be voiced without fear and hostility and with mutual respect for all viewpoints;
2. Teachers will encourage students to withhold judgment and to avoid making of conclusions until all relevant and significant facts have been assembled, critically examined, and checked for accuracy;
3. Teachers will seek to develop in students a sense of responsibility for their beliefs, opinions, attitudes and actions;
4. If the subject matter being taught involves conflicting opinions, theories or schools of thought, the teacher will ensure that differing sides of an issue are explored in order to help students develop their own critical faculties.

Board Policy 5.601 – Conflicts of Interest

It shall be a misdemeanor for the director of schools to take any other contract under the Board, to perform any other service for additional compensation, to act as principal or teacher in any school, or to become the owner of a school warrant other than that allowed for his/her service as director of schools or as secretary to the Board.

The collection of money for group gifts is discouraged except in special circumstances such as bereavement, serious illness, or for mementos at retirement.

Exceptions to this policy are the acceptance of minor items which are generally distributed to all by the companies through public relations programs.

A director of schools/designee may suspend a teacher for incompetence, inefficiency, neglect of duty, unprofessional conduct and insubordination. Before an employee is suspended he/she shall be: provided with written notice, including the reasons for the suspension along with an explanation of the evidence supporting the suspension and copies of any documents relied on by the director in reaching the decision. Upon written request within five (5) days of the date of written notice of suspension, the teacher shall be given an opportunity to respond to the director at a conference. Both parties may be represented by counsel at the conferences, which shall be recorded. The director shall issue a written decision of the suspension within ten (10) days from the date of the conference. Under no circumstances shall a

director suspend a teacher with pay. If reinstated, the tenured teacher shall be paid full salary for the period of suspension, unless suspension without pay is deemed to be an appropriate penalty.

DISMISSAL OR SUSPENSIONS GREATER THAN THREE DAYS

The Board shall maintain a list of qualified individuals who have indicated a willingness to act as impartial hearing officers, as defined under Tennessee law. When charges are made against a tenured teacher, charging the teacher with offenses which may justify dismissal or a suspension greater than three days, the charges shall be made in writing, specifically stating the offenses which are charged and shall be signed by the party or parties making the charges. If, in the opinion of the Board, the charges are of such nature as to warrant the release or a suspension greater than three days of the teacher, the director of schools shall give the teacher a written notice of this decision, a copy of the charges against the teacher, and a copy of a form provided by the Commissioner of Education advising the teacher of his/her legal duties, rights and recourse. A tenured teacher who has been given notice of charges against him/her may within thirty (30) days after receipt of notice give written notice to the director of schools of his/her request for a hearing.

The director of schools shall, within five (5) days after receipt of request, assign a hearing officer from the list maintained by the Board. The hearing officer shall notify the parties, or their attorney, of the officer's assignment and direct the parties or the attorneys for the parties, or both, to appear before the hearing officer for simplification of issues and the scheduling of the hearing. That hearing shall be set no later than thirty (30) days following receipt of the initial request for a hearing. In the discretion of the hearing officer, all or part of any prehearing conference may be conducted by telephone if each participant has an opportunity to participate, be heard, and to address proof and evidentiary concerns. The hearing officer is empowered to issue appropriate orders and to regulate the conduct of the proceedings.

Either party may appeal to the Board of Education an adverse ruling by giving written notice of appeal within ten (10) working days of the hearing officer's delivery of the hearing officer's written findings and conclusions. The director of schools shall prepare a copy of the proceedings, including all transcripts and evidence, documentary or otherwise, and transmit the same to the Board within twenty (20) days of the receipt of the notice of appeal.

The Board shall hear the appeal on the record, and no new evidence may be submitted by either party. The appealing party may appear before the Board to argue why the adverse ruling should be over-turned. In no event should such argument last more than fifteen (15) minutes, unless the Board should vote to extend additional time. At the conclusion of the hearing, any member of the Board may vote to sustain the decision of the Hearing officer, send the record back for additional evidence, revise the penalty or reverse the decision. The Board shall render its decision within ten (10) working days after the conclusion of the hearing. In the event that the decision of the Board is appealed to the Chancery court for its review.

RESIGNATION

A teacher shall give the director of schools notice of resignation at least thirty (30) days before the effective date of the resignation. A teacher who fails to give such notice, in the absence of justifiable extenuating circumstances, shall forfeit all tenure status. The Board may waive the thirty (30) days' notice requirement and permit a teacher to resign in good standing. The conditions under which it is permissible to break a contract with the Board are as follows:

1. The incapacity on the part of the teacher to perform the contract as evidenced by the certified statement of a physician approved by the Board;
2. The release by the Board of the teacher from the contract which the teacher has entered into with the Board.

Any teacher on leave shall notify the director of schools in writing at least thirty (30) days prior to the date of return if the teacher does not intend to return to the position from which he/she has taken leave. Failure to render such notice may be considered a breach of contract. Upon a breach of contract, the Board, upon a motion recorded in its minutes, may file a complaint with the Commissioner and request the suspension of a teacher's certificate. After the

Commissioner has provided the teacher an opportunity for defense during a hearing, the Commissioner may suspend the certificate for no less than thirty (30) and no more than three hundred sixty-five (365) days.

RETIREMENT

Retirement shall mean a termination of services under conditions which allow the employee to draw benefits from retirement plans and/or social security benefits. Employees eligible for retirement benefits may elect to retire at any age according to the provisions of the retirement system. Central office personnel shall assist employees in securing retirement benefits; however, it shall be the responsibility of the retiring employee to provide verification of eligibility in writing from TCRS to the central office. It shall be the responsibility of the retiring employee to file for benefits.

Employees who retire under TCRS may be employed up to one hundred twenty (120) days per year without loss of retirement benefits. Retired teachers may substitute teach for an additional ninety (90) days if the director of schools certifies in writing to the Board that no other qualified personnel are available to substitute teach.

The director of schools may employ teachers retired for at least one year for full-time employment as a kindergarten through twelfth grade teacher on a year-to-year basis. Retirement benefits will not be lost or suspended under certain conditions, which include but are not limited to the following:

1. The director of schools of the employing system must certify in writing that no other qualified individuals are available to fill the position;
2. The Commissioner of Education must certify that the employing school system serves an area that lacks qualified teachers to serve in the position to be filled;
3. The retired teacher must hold a valid license and shall not be entitled to tenure status;
4. The retired teacher shall not be eligible to accrue additional retirement benefits, accrue leave or receive medical insurance coverage; and
5. The salary paid to the retired member shall not be less than the rate of compensation set by the Board for teachers with no experience filling similar positions, nor more than eighty-five percent (85%) of the rate of compensation set by Board for teachers with comparable training and years of experience filling similar positions.

Board Policy 5.201 – Separation Practices for Non-Tenured Teachers

SUSPENSION PENDING AN INVESTIGATION

The director of schools may suspend a teacher at any time that may seem necessary, pending investigation or final disposition of a case before the board or an appeal. If the matter under investigation is not the subject of an ongoing criminal investigation or a department of children's services investigation, and if no charges for dismissal have been made, a suspension pending investigation shall not exceed ninety (90) days in duration. Under no circumstances shall the director of school suspend a non-tenured teacher with pay. If vindicated or reinstated, the non-tenured teacher shall be paid full salary for the period of suspension.

SUSPENSION OF THREE DAYS OR LESS

A director of schools/designee may suspend a teacher for incompetence, inefficiency, neglect of duty, unprofessional conduct and insubordination. Before an employee is suspended he/she shall be: provided with written notice, including the reasons for the suspension along with an explanation of the evidence supporting the suspension and copies of any documents relied on by the director in reaching the decision. Upon written request within five (5) days of the date of written notice of suspension, the teacher shall be given an opportunity to respond to the director at a conference. Both parties may be represented by counsel at the conferences, which shall be recorded. The director shall issue a written decision of the suspension within ten (10) days from the date of the conference.

DISMISSAL OR SUSPENSION GREATER THAN THREE DAYS

The director of schools may dismiss or suspend for more than three days any non-tenured teacher **during the contract year** for incompetence, inefficiency, insubordination, improper conduct or neglect of duty after giving the non-tenured teacher, in writing, due notice of the charges.

The director of schools shall give the non-tenured teacher an opportunity for a full and complete hearing before an impartial hearing officer. The Board will appoint an impartial hearing officer to conduct such hearings. The hearing officer will hear the case and the employee shall have the right to:

1. Be represented by counsel;
2. Call and subpoena witnesses;
3. Examine all witnesses; and
4. Require that all testimony be given under oath.

Factual findings and decisions in all dismissal cases shall be reduced to written form and delivered to the affected employee within ten (10) working days following the close of the hearing. The employee may appeal the decision to the Board within ten (10) working days of the hearing officer rendering the written decision to the employee. Written notice of appeal to the Board shall be given to the director of schools. Within twenty (20) days of receipt of notice, the director shall prepare a copy of the proceedings, transcript, documentary and other evidence presented and provide the Board a copy of the same.

The Board shall hear the appeal. No new evidence shall be introduced. The non-tenured teacher may appear in person or be represented by counsel and argue why the decision should be modified or reversed. The Board shall take one of the following actions:

1. Sustain the decision;
2. Send the record back if additional evidence is necessary; or
3. Revise the penalty or reverse the decision.

Before any decision to dismiss is made, a majority of the membership of the Board shall concur in sustaining the charges. The Board shall render a decision on the appeal within ten (10) working days after conclusion of the hearing.

The director of schools shall also have the right to appeal any adverse ruling by the Hearing Officer in the same manner as the non-tenured teacher.

Within twenty (20) days after receipt of notice of the decision of the Board, either party may appeal to the chancery court in the county where the school system is located. The Board shall provide the entire record of the hearing to the court.

NONRENEWAL

Non-tenured teachers are subject to the same rules and regulations and are entitled to the privileges of employment enjoyed by tenured teachers except they have no claim upon continuing employment or tenure protections. The principal is responsible for discussing deficiencies as part of the evaluation process with the non-tenured teacher and providing assistance for overcoming these deficiencies.

The director of schools is under no obligation to re-employ non-tenured teachers at the end of their contract period. If the director of schools determines not to renew the contract of a non-tenured teacher, the following action shall be taken:

1. The Board shall be notified at the next regular board meeting; and
2. Written notice of non-renewal shall be hand delivered or sent to the employee by registered mail so that it will be received by the employee within five (5) business days following the last instructional day for the school year.

*****NOTICE***** *Health Insurance options may change to one option this year. Please contact Tamica Harrison at the Finance Office for correct options.*

Medical (State of Tennessee)

The Health Insurance Program [includes medical and vision (1)] is administered by Benefits Administration, a division of the State of Tennessee. Currently there are three insurance carrier networks:

- Blue Cross Blue Shield of TN (network S)
- CIGNA Local Plus
- CIGNA Open Access (surcharge applies)

There are four health insurance options:

- Premier Preferred Provider Organization (PPO)
- Standard PPO
- Limited PPO
- Local Consumer-driven Health Plan (CDHP)/Health Savings Account (HSA)

Each employee will choose a network AND a health option that best meet his/her needs. Currently the BOE pays 90% of the monthly premium for all full-time employees who are on the medical plan. All qualifying employees must complete the required paperwork in the required window of time. All newly hired full-time employees must either accept or refuse the available health insurance. All new hires will be required to attend a new hire meeting to obtain information and complete documents pertaining to your benefits. You will be informed of your scheduled meeting time during your new hire process.

Important facts regarding medical insurance:

- Employees on unpaid leave of absence are responsible for both the employee's portion and the portion of the health care premiums paid by Robertson County Schools.
- If an employee is granted leave which qualifies as Family Medical Leave (FMLA), the employee is only responsible for the employee's portion of the medical insurance while on FML during the twelve weeks of leave. If the employee's leave is extended beyond twelve weeks, the employee is then responsible for the employee's portion and the portion paid by the Robertson County Schools.
- Some employees who retire from Robertson County Schools may continue health insurance coverage until age 65, if eligibility requirements are met.
 - 15-19 years of service to Robertson County Schools—25% of the medical premium will be paid by Robertson County Schools until age 65.
 - 20-24 years of service to Robertson County Schools—35% of the medical premium will be paid by Robertson County Schools until age 65
 - 25+ years of service to Robertson County Schools—45% of the medical premium will be paid by Robertson County Schools until age 65

It is the responsibility of the employee to inform the Finance Department when a new dependent (due to marriage, the birth or adoption of a child) needs to be added to the medical coverage. This must be done within the allowed sixty (60) days of the event for the new dependent to be properly covered. It is also the responsibility of the employee to inform the Finance Department if a dependent loses his/her eligibility for coverage due to a divorce or if a child marries or otherwise does not meet the definition of an eligible dependent.

Vision (1) (State of Tennessee)

The vision plan is provided through DAVIS vision. The employee pays 100% of the premium. There are two plan options available: basic or expanded.

Annual Open Enrollment Period

During the fall of each year, benefit information is mailed to you and you should review this information carefully to make the best decisions for you and your family members. Insurance rates and reminders are also emailed to you during annual enrollment time. It occurs every October and changes become effective the following January 1. You have the option to make changes to your medical and/or vision (1) during this time. Benefit enrollments remain in effect for a full plan year (January 1 through December 31). **You may not cancel coverage outside of the annual enrollment period unless eligibility is lost or there is a qualifying change or event.**

Vision by Companion (2)

Robertson County Schools offers a second vision plan known as VISION BY COMPANION. This vision plan is separate from the State of Tennessee Vision plan. The two plans do NOT work together. Each vision plan has a different set of providers. The VISION BY COMPANION plan is only offered by USABLE in August each year. Any changes made during this time are effective October 1. Employees are responsible for the entire premium.

Dental Insurance

The dental provider is Delta Dental. Robertson County Schools pay a portion of the premium for certified staff. Classified staff are responsible for the entire premium. All services (cleanings, fillings) are covered at 100%; crowns are covered at 50%. There is NO deductible and the policy will pay \$1,000 per year (Jan-Dec) per person. Coverage is offered during your new hire process. Details of the plan are discussed at that time. **Annual open enrollment for dental is administered by USABLE each year in AUGUST.** Changes can be made to your dental at this time and have an effective date of October 1.

This opportunity is available once each year to sign up for these products. All additions or changes are effective October 1.

Retirement Account/Pension – Tennessee Consolidated Retirement System

Legacy Teachers

Teachers who became certified before July 1, 2014 and have not cashed out your TCRS (Tennessee Consolidated Retirement System) retirement account.

These teachers will have one TCRS retirement account known as a defined benefit plan that the employee is required to contribute 5% (no more, no less) to the account each pay period. Based on actuarial studies completed each year by the State of TN, a percentage is determined for the BOE (Board of Education) to contribute on your behalf. Details such as being vested, transferring, and retirement details are listed on the TCRS flyer you receive during your new hire process.

If this is your first time in a TCRS defined plan, you will receive a welcome packet from TCRS after your first contribution from your first check is sent. The welcome packet will give you details about your defined plan and then instruct you to log into the TCRS Concord System to appoint beneficiaries for this defined plan. You will NOT be able to log into TCRS Concord until you receive the welcome packet from TCRS. Please be sure to keep beneficiaries and addresses current on your accounts.

If you were in the TCRS plan before you joined Robertson, then your accounts will combine automatically. Log in instructions for TCRS accounts are included in your packet. You may log in at your convenience. Be sure to update beneficiaries on the TCRS Concord system.

Lastly, you have an option to begin a voluntary retirement account through State of TN. This is a new option for teachers offered by the State of TN that is managed by Empower Retirement. You will receive a letter from Empower offering you the opportunity to participate in this plan. This is a 401 K deferred compensation plan that only the employee contributes and is payroll deducted. The BOE does not contribute to this account for LEGACY teachers. To begin this account respond to the letter from Empower or contact them. Informational flyer will be in your packet received during your new hire process.

HYBRID Teachers

Teachers who became certified *after* July 1, 2014 OR teachers who became certified before July 1, 2014 but cashed out your retirement plan at some point or did not become vested before you left the TCRS employer, therefore you start over.

As a hybrid, you will have TWO retirement plans. One is referred to as TCRS (Tennessee Consolidated Retirement System) defined benefit plan. The other plan is referred to as State of TN 401 K deferred compensation plan.

TCRS Defined Plan

The employee is required to contribute 5% (no more, no less) to this account each pay period. The BOE (Board of Education) will contribute 4% to this account monthly.

If this is your first time in a TCRS defined plan, you will receive a welcome packet from TCRS after your first contribution from your first check is sent. The welcome packet will give you details about your defined plan and then instruct you to log into the TCRS Concord System to appoint beneficiaries for this defined plan. You will NOT be able to log into TCRS Concord until you receive the welcome packet from TCRS. Please be sure to keep beneficiaries current on your accounts. Details such as being vested, transferring, and retirement details are listed on the TCRS flyer you receive during your new hire process.

401 K Deferred Compensation Plan

This is a new retirement account for teachers offered by the State of TN that is managed by Empower Retirement. You will receive a letter from Empower in the weeks ahead stating you have been automatically enrolled in the State of TN 401 K deferred compensation plan. An automatic 2% will be taken from your payroll to contribute to this account per pay period. You have the option to opt-out of this 2% or to increase the percentage contribution. To make any of these changes, you MUST respond to the letter you will receive from Empower Retirement. The BOE will contribute 5% to this 401 K account monthly. Upon receipt of the letter, you will need to log into the system to appoint a beneficiary and it is recommended that you manage the account as well. Even if you do not contribute, the BOE will continue to contribute to this 401 K on your behalf and the funds will need to be managed. Information regarding this new type of retirement account will be included in your new hire packet.

NOTE: Hybrid teachers expect information from two different entities regarding retirement. One regarding TCRS defined plan that welcomes you and instructs you on choosing beneficiaries for the defined plan. You will receive a letter from Empower describing the 401 K plan and you also will need to follow instructions to choose beneficiaries and to manage the 401 K account.

Legacy Classified Staff

The classified staff will have one TCRS retirement account known as a defined benefit plan that the employee is required to contribute 5% (no more, no less) to the account each pay period. Based on actuarial studies completed each year by the State of TN, a percentage is determined for the BOE (Board of Education) to contribute on your behalf. Details such as being vested, transferring, and retirement details are listed on the TCRS flyer you receive during your new hire process.

If this is your first time in a TCRS defined plan, you will receive a welcome packet from TCRS after your first contribution from your first check is sent. The welcome packet will give you details about your defined plan and then instruct you to log into the TCRS Concord System to appoint beneficiaries for this defined plan. You will NOT be able to log into TCRS Concord until you receive the welcome packet from TCRS. Please be sure to keep beneficiaries current on your accounts.

If you were in the TCRS plan before you joined Robertson, then your accounts will combine automatically. Log in instructions for TCRS accounts are included in your packet. You may log in at your convenience. Be sure to update beneficiaries on the TCRS Concord system.
